

English Tutorial

Hello, welcome to **GGames Forums**, thanks for download this file in our forum. At this moment pay total attention in this tutorial to avoid any unnecessary questions. Follow these steps:

1. Extract the **zip** file into a random folder, choose any folder or just extract in desktop
2. Copy the **d3d9.dll** file and paste it into the root game directory, it is usually: "**C:\Program Files (x86)\Ubisoft\Ubisoft Game Launcher\games\Assassin's Creed Valhalla**" – This file serves to bypass the checking of your items in your inventory.

9. After that you'll see the items pop up in your screen, obviously if you don't have the items. If you have it, just open you inventory and see if the item you want being there.

10. If everything is ok, save the game, close it and open it again. P.S: Do not remove for any circumstances the **d3d9.dll** file, that you saved in the game's root folder, this file intends to avoid the helix items to disappear from your inventory. If you don't believe me, test it 😊

Tutorial em Português Brasileiro

Olá, seja bem-vindo ao **GGames Fórum**, obrigado por baixar este arquivo em nosso fórum. Neste momento preste atenção total neste tutorial para evitar perguntas desnecessárias. Siga esses passos:

1. Extraia o arquivo **zip** em uma pasta aleatória, escolha qualquer pasta ou apenas extraia na Área de Trabalho.
2. Copie o arquivo **d3d9.dll** e cole-o no diretório raiz do jogo, geralmente é: **"C:\Program Files (x86)\Ubisoft\Ubisoft Game Launcher\games\Assassin's Creed Valhalla"** – Este arquivo serve para burlar a checagem da Ubisoft dos seus itens no seu inventário.

9. Depois disso, você verá os itens aparecerem na tela, obviamente, se você não tiver os itens. Se você tiver, basta abrir seu inventário e ver se o item que você deseja estar lá.
10. Se tudo estiver ok, salve o jogo, feche-o e abra-o novamente. Obs: não remova em nenhuma circunstância o arquivo **d3d9.dll**, que você salvou na pasta raiz do jogo, este arquivo pretende evitar que os itens Helix da Loja desapareçam de seu inventário. Se você não acredita em mim, teste 😊
